

REFEREES DUTY ALLOCATION

1. LOGIN PAGE (FOR REFEREES)

REFEREES

RIN NUMBER:_____

PASSWORD:_____

LOGIN

NEW USER

- Only existing referees can create the account. The referees should have existing RIN Number.

Rin No : 260705

Current Category 4

- An external database needed to be created,so that those members in that database can create the account.
- **For new user:** when they enter the RIN number, the details of that referee should be displayed which includes their name, category (5 to 1), district, mail id and phone number.
- An option should be given to create password and confirm it.
- **Password can have only letters.**

3	fdsf	3	Ktym	135	Asst.referee
4	cdsvds	2	Ekm	142	4 th official

Accepting the
duty

Declining the
duty

After Accepting Duty:

- “ Thank you for your response. Kindly reach the venue on time” should be displayed.
- The acceptance should be saved in database for later references by the referee as well as admin.

After Declining Duty:

- “ Thank you for your response. We will keep you informed for the upcoming matches” should be displayed.
- The declining should be saved in database for later references by the referee as well as admin.

Administrator

- If it is possible to create an id and password then it can be done.
- The referee should be assigned for those who are having RIN Number.
- Administrator can have access to the database and allocate the duties
- Administrator should create the fixtures with date and time venues and assign the referees.

For assigning the referees these conditions must be followed:

1. The same referee cannot be assigned for more than 1 match in a day.
2. The referees should be assigned based on their category (5 to 1), district and the level of match (A division,B-division etc.).
3. For B and C division matches, the referees are of same district and the category of the referees is from 5 to 4.
4. For A division matches, the referees are of different district and falls in category 3to1.
5. The records of the referees should be saved in database.

After saving the duty

- The referees should be able receive the notification
- These records should be saved in the database
- If any referee refuse to accept, then reassign the duty
- A tournament can have many matches, so assign duty for each date.
- By reassigning the duty the admin should receive a fresh form for the entry.
